

EAST SIDE COASTAL RESILIENCY PROJECT

COMMUNITY OPEN HOUSE

Please stop by to learn more about current plans for flood protection along Manhattan's Lower East Side and planned park improvements. City agencies and members of the design team will be available to explain and answer questions about the design, the associated Uniform Land Use Review Procedure (ULURP) application, and the project's Draft Environmental Impact Statement (DEIS). Community members are encouraged to drop in to the Open House at their convenience.
